Spring 2026

Final Scoreboard

Congratulations to Maria White from Bella Terra for having the highest personal score!

Congrats to Bella Terra for having the highest neighborhood score.

Congrats to all of us for a friendly, fun, competitive, spirited spring.

- On three evenings, we had spare people join us so that we would have an even number for our round robins. Since these people were significantly better than our regular players, we did not count any scores for any games in which these people played.
- To qualify for Top Personal scores, you must play at least 3 round robins during the season.
- To qualify for Top Neighborhood scores, you must play at least 3 round robins during the season AND you need at least 3 ladies from the neighborhood who have played 3 round robins during the season.
